COMMUNITY-BASED HERITAGE LANGUAGE SCHOOLS

A nationwide initiative established to support, guide, and promote the interests of community-based heritage language schools across the U.S. Our main goals are to:

• **Facilitate communication** among community-based heritage language schools/programs;

• **Develop official statistics** on HL teaching and learning by collecting comprehensive data about community-based schools and press for inclusion of these data in official U.S. education statistics;

• **Increase the visibility and recognition** of these schools/programs within the U.S. education system on local, state, and national levels;
